# SOMM' SELECTIONS BY THE GLASS

5oz 2oz

<b>REALM IBID. FARELLA VINEYARD</b> SAUVIGNON BLANC — COOMBSVILLE, NAPA VALLEY WINEMAKER: Benoit Touquette <i>A truly magnificent example of this noble grape variety. It's rare to find such palate density and overall complexity from this grape in Napa. Most are just not taking it this seriously. 'Ibid' is 100% Sauvignon Blanc, our version of a fine white Bordeaux: expansive on the palate, wonderfully complex, a beautifully structured and concentrated white.</i>	30	15
<b>DOMAINE DES COMTES LAFON 'CLOS DE LA BARRE' 2012</b> CHARDONNAY — MEURSAULT, BURGUNDY WINEMAKER: Dominique Lafon <i>Dominique Lafon has been crafting some of the most beautiful examples of white and red Burgundy for generations. When we picture what Chardonnay from Meursault should taste like, this is it. This is a well-structured wine framed in the smell of smoked walnut with pear and anise. It has a long finish with perfectly balanced acidity.</i>	72	36
<b>DOMAINE DE MONTILLE 'LES GREVES— PREMIER CRU' 2012</b> PINOT NOIR — BEAUNE, BURGUNDY WINEMAKER: Etienne Montille <i>Domaine de Montille is known to craft wines with aromatic purity; always favoring balance and elegance over power and extraction. The wines are classic expressions of Burgundy, produced in the most natural way possible and possessing an impressive ability to age. The lieu-dit 'Les Grèves' references the gravelly soils of the vineyard. This unique terroir attributes to the earth and mineral undertones in the wine.</i>	55	27.5
<b>CAROLINE PARENT 2010</b> PINOT NOIR — GEVREY-CHAMBERTAIN, BURGUNDY WINEMAKER: Caroline Parent <i>Caroline Parent produces and selects wines from a variety of family vineyards. Her style favors the elegance and the finesse of the wines which are anchored in the timeless traditions of Burgundy. This wine is youthful and has a vivid ruby color. Solid yet soft in the mouth, with firm tannins giving structure to the powerful core of black cherry, red berry, and dark mineral tones.</i>	40	20
<b>SHAFER ONE POINT FIVE 2014</b> CABERNET SAUVIGNON — STAG'S LEAP DISTRICT, NAPA VALLEY WINEMAKER: Elias Fernandez <i>The 2014 Cabernet Sauvignon One Point Five shows beautiful purity, not the weight, profound depth and structure of the 2013, but it is still medium to full-bodied, elegant, graceful and a classic example of the Stags Leap appellation.</i>	65	35
<b>TENUTA SETTI ORMA 2012 FORMATI IMPORTANTI (3L)</b> SUPER TUSCAN IGT — TUSCANY, ITALY WINEMAKER: Antonio Moretti <i>Orma is deep ruby with garnet reflections. On the nose, the wine demonstrates presence and intensity of aroma. Notes of red and black fruit are supported by sweet spice, cocoa, dry earth, mediterranean herbs and tobacco. On the Palate, Orma is elegant and dense. Orma's sturdy, yet ripe tannin structure lends the wine a velvety texture. Bright acidity reflects the wine's Italian terroir and keeps the wine balanced through a long finish. Expect excellent aging potential from Orma.</i>	40	18
<b>ZD WINES 2013</b> CABERNET SAUVIGNON — NAPA VALLEY, CALIFORNIA WINEMAKER: Chris Pasani <i>This wine exhibits intense aromas of blackberry, plum and cassis with hints of cocoa, cedar and sweet vanilla. The palate is marked by incredibly concentrated black fruits enveloped with ripe, lush tannins, and well balanced acidity. It is drinking beautifully now, and will continue to develop complexity over many years to come. Join us in celebrating ZD Wines' 45th Anniversary Cabernet Sauvignon!</i>	35	20
<b>CORISON 2006</b> CABERNET SAUVIGNON — NAPA VALLEY, CALIFORNIA WINEMAKER: Cathy Corison <i>Bud-break came extremely late due to the cold, rainy weather that continued through spring. After the inevitable heat of the California sun came and went, more cool weather appeared near the end of the growing season. This prolonged the ripening process, allowing for one last boost of color and flavor development. These wines will age for decades, but this baby is wide awake and eager to please. Drink now or forever hold your peace.</i>	70	35
<b>CORISON 2013</b> CABERNET SAUVIGNON — NAPA VALLEY, CALIFORNIA WINEMAKER: Cathy Corison <i>A deep, inky wine, the 2013 Cabernet Sauvignon is endowed with serious depth. Here the flavors are unusually dark and intense, with plenty of blue and black stone fruits. Graphite, cloves and licorice contribute to an overall impression of gravitas.. Hints of violet, lavender and plum add the final shades of nuance. All of the signatures of the vintage come through beautifully. The translucent, mineral-laced finish is especially appealing. Frankly, it's hard to put the glass down.</i>	50	25

<b>JEAN LUC COLOMBO CAPE BLEUE ROSE 2016</b> PROVENCE, FRANCE WINEMAKER: Jean Luc Colombo <i>Cape Bleue comes from a place near Marseille. Soft, delicate salmon pink color. Subtle aromas of peach, rose petal, watermelon, and tropical fruit. Dry, round and full of finesse on the palate with notes of fresh berries.</i>	10	6
<b>THE CROSSINGS 2016</b> SAUVIGNON BLANC— MARLBOROUGH, NEW ZEALAND WINEMAKER: Jeff Fyfe <i>The Crossings Sauvignon Blanc shows lifted notes of gooseberry and passionfruit, underpinned with citrus notes. The palate is full with pure fruit flavours, yet balanced with a persistent, crisp mineral finish. Enjoy with both fresh and cooked seafood dishes such as oysters, prawns, and fish.</i>	11	6
<b>JOSEPH FAIVELEY BOUZERON 2012</b> ALIGOTE — BURGUNDY, FRANCE WINEMAKER: Jean-François Bordet <i>Aligoté is a high-acid grape, so ripeness is important for balance. My friends in Burgundy always serve a glass of Aligoté to wet the palate and start the evening right.</i>	12	6.5
<b>DOMAINE EDEN 2013</b> CHARDONNAY — SANTA CRUZ MOUNTAINS, CALIFORNIA WINEMAKER: Dave Phinney <i>Dazzling straw-gold in color, the wine serves up superrich aromas of ripe pineapple, vanilla bean, raw coconut, and honeyed lemon. The entry is supremely lush with complex flavors of roasted fig, apricot, green apple, and orchard fruit. Further, the wine's energetic profile leads to stunning mineral notes, flint, exotic spice, and lemongrass framed in roasted marshmallow. The abundant richness remains through the finish with clarity and length, while supported with a youthful brightness.</i>	14	7
<b>CRU 32 2012</b> CHARDONNAY — SONOMA COAST, CALIFORNIA PROPRIETARY WINE OF 1313 MAIN <i>A classic example of California Chardonnay. Here you will taste a touch of oak and hints of butter. This proprietary wine is comprised of Chardonnay grapes sourced from the Sonoma Coast AVA which is known for it's cooler climate due to the moderating influence of the Pacific Ocean. The warm California sun promotes ripe flavors while the cool coastal nights help to preserve the natural acidity of the grapes and the overall freshness of the wine.</i>	16	8
<b>ROMILILLY 2013</b> CHARDONNAY — RUSSIAN RIVER VALLEY, CALIFORNIA WINEMAKER: Aaron Inman <i>The wine shows a light, golden straw color and is clear as a bell. On the nose are hints of honeydew and golden apple backed by vanilla, caramel and pineapple. Upfront on the palate is crisp golden apple followed by a clean mid-palate showing sandalwood and toasty oak. The finish is long and consists of fresh minerality that lasts for minutes.</i>	18	9
<b>DOMAINE WACHUA TERRASSEN FEDERSPIEL 2015</b> RIESLING — WACHUA, AUSTRIA WINEMAKER: Heinz Frischengruber	14	9

BAOCHONG PREMIUM HIGH-GRADE 'OOLONG' 18  
*Wenshun, Taiwan*

*Our highest-grade Baochong comes from award-winning producer Mr. Lee of Pinglin, Wenshan. Consistently one of the most prized producers in the region, his winter crop took first place in the 2014 oolong competition. Oxidized by only about 10 to 15 percent, this signature Taiwanese oolong's fragrance, delicate sweetness and silky body is truly exceptional.*

WHITE PEONY KING 'KINGS GRADE' 16  
*Fujian, China*

*The 'King' grade refers to White Peony made from the original mother bushes, or the best grade of the season. This is a limited crop production. Grown at 1000 meters, these are some of the original White tea bushes indigenous to the area. Very fresh, full-bodied melon taste, with pervasive bursts of apple and pear, and a fruity sweet brew. Of all the White teas, White Peony King offers the fullest flavor. Traditionally grown, harvested, and processed by sun drying and hot air indoor drying.*
